

Food Service Warehouse Operations Manager

Position Details

Class Code: 5301

Job Family: Food Service

Classification: Support Professional

Terms of Employment: [Pay Grade 60 on the Support Professional Salary Schedule](#)

FLSA STATUS: NON-EXEMPT

Position Summary

Under general supervision, plans, organizes, and manages the daily workflow of activities in the Food Service Department warehouse and leads storing, inventorying, palletizing, and distributing temperature-controlled food, materials, supplies, and equipment used by the department.

Essential Duties and Responsibilities

The list of Essential Duties and Responsibilities is not exhaustive and may be supplemented.

1. Prioritizes, assigns, and leads the work related to storing, inventorying, staging, palletizing, and distributing materials, supplies, and equipment.
2. Provides guidance and training to employees on policies, procedures, work methods, and safety practices related to inventory management.
3. Inspects and evaluates warehouse and storage areas and work methods; recommends improvements as needed to minimize warehouse shrinkage.
4. Maintains cleanliness and orderliness of the warehouse and storage areas.
5. Uses inventory management systems, Microsoft Office Suite, and Google Workspace programs to manage inventory and prepare memos, letters, and inventory reports.

6. Serves as the safety representative for warehouse functions, including maintaining Safety Data Sheets (SDS) for supplies.
 7. Monitors and evaluates the efficiency and effectiveness of service delivery methods and procedures; implements new operational practices as appropriate.
 8. May provide information to support budget development, facility layout planning, and inventory management policy development.
 9. Operates equipment such as forklifts, hand trucks, pallet jacks, and electric carts to move and stage large items.
 10. Develops operations and maintenance policies and procedures.
 11. Identifies warehouse optimization opportunities and implementation strategies; sets goals, develops performance metrics, and provides specialized reports on warehouse activities.
 12. Maintains knowledge of industry best-practices, trends, regulations, and innovations; provides recommendations to the department's administrative team regarding implementation of such practices.
 13. Investigates accidents and incidents by gathering relevant information (photographs, measurements, diagrams, reconstruction, etc.) for documentation and prepares reports/forms for Clark County School District (CCSD) departments and other agencies.
 14. Oversees order fulfillment, including batch and manual processing; adjusts orders based on available inventory and documenting/archiving changes.
 15. Monitors integrity of products and ensures that food safety standards are met.
 16. Provides leadership and collaborates with staff to ensure a high-performance, customer service-oriented work environment aligned with the department's mission and goals.
 17. Applies process improvement and quality management principles to assigned areas of responsibility.
 18. Develops training and safety programs.
 19. Organizes and oversees the schedules and work of staff, as assigned.
 20. Hires and supervises staff responsible for all warehouse functions.
 21. Conducts performance evaluations that are timely and constructive.
 22. Handles discipline of employees as needed and in accordance with applicable CCSD policies.
 23. Maintains compliance with occupational safety regulations and labor agreements.
 24. Conforms to safety standards, as prescribed.
 25. Performs other tasks related to the position, as assigned.
-

Distinguishing Characteristics
